

Totarol™

The world's new natural active

Totarol™ has value as an active ingredient or preservative in skin, body and oral care products, as well as in disinfectants.

Totarol™ is a non-primary irritant and non-primary sensitizer to the human skin.

Totarol™ is a natural extract from Totara heartwood, enriched in the aromatic diterpenoid, totarol: $C_{20}H_{30}O$
